*International Conference on*  
**Pharma, Biotechnology and Healthcare**  
**November 12-13, 2018 Dubai, UAE**  
**Venue: Dubai Pharmacy College for Girls**

On Behalf of Endling Conferences, I take great pride in welcoming all the delegates of International Conference on Pharma, Biotechnology & Healthcare on November 12-13, 2018 in Dubai, UAE. This event is a perfect platform for a global networking of multidisciplinary fields of pharmacy. We are looking forward to an excellent gathering with great scientist from different countries around the world, sharing new and exciting pharmaceutical information.

I am particularly very happy to be present in this event to exchange views with other distinguish

academicians, pharmacist and pharmaceutical entrepreneurs. I wish this conference makes genuine and reliable contribution to the scientific community.

I commend you all for having exciting and memorable event and I wish this conference have a great success

**Prof. Saeed Ahmed Khan**

Dean, Dubai Pharmacy for Girls  
Dubai, UAE
